Gilmour Homes,

I have a disability defined by the Federal Fair Housing Act as: *a physical or mental impairment which substantially limits one or more of such a person's major life activities, a record of having such an impairment, or being regarded as having such impairment.*

I use a service or support animal to assist me with the functional limitations related to my disability. My service or support animal enhances my ability to live independently, and to use and enjoy my dwelling fully.

I understand I will be financially responsible for all damages to the property, which are a direct or indirect result of my service or support animal.

I have attached the Service & Support Animal Certification form, which has been completed by my healthcare provider, who, in their professional capacity, has knowledge about my disability, my service or support animal, and my need for a service or support animal. The Service & Support Animal Certification form verifies I have a disability as defined by the Federal Fair Housing Act with a disability-related need for a service or support animal, and a service or support animal with up to date immunizations.
